Why Primevest & Holland Immo Group?

Our shared vision is to empower financial futures, enriching our living world. Join us in delivering innovative Real Asset investment solutions that shape the cities of tomorrow and create sustainable financial value for both institutional and private investors. Primevest Capital Partners focuses on institutional investors and is Europe's leading investment manager in Parking & Mobility, Residential, and Communication Infrastructure (CIF). Holland Immo Group serves private investors and ranks among the top-3 Dutch real estate investment managers, specializing in Parking & Mobility, Senior & Care Living and Urban Living.

Why join us?

A dynamic, collaborative, and entrepreneurial culture where your contributions will be visible and valued. You'll gain exposure to high-quality institutional investors, innovative real asset strategies, and a growing investment platform aligned with future megatrends. We offer a competitive compensation and benefits package, along with meaningful opportunities for long-term growth and development. Primevest values diversity and inclusion and encourages candidates from all backgrounds to apply.

Role Overview

As a Financial Controller, you play a key role in the financial administration and reporting of both corporate entities and European investment funds within the group. You work closely with senior finance colleagues, external service providers, and internal stakeholders, contributing to accurate financial reporting, regulatory compliance, and continuous process improvements. The role combines hands-on operational responsibilities with growing exposure to fund structures, investment vehicles, and corporate finance activities.

You are a finance professional who brings structure, accuracy, and a proactive mindset to a dynamic environment. You meet the following requirements:

- Bachelor's or Master's degree (or equivalent level of thinking and working) in Finance, Economics, or a related field
- Completed post-Bachelor Controller qualification (e.g. RC or equivalent)
- 3–5 years of relevant experience in a finance or controlling role; experience in the real estate sector is an advantage
- Strong stakeholder management and time management skills, with the ability to prioritize effectively
- Analytical, detail-oriented, and hands-on approach
- Fluent in Dutch (primary working language) and English, both written and spoken; knowledge of German is an advantage

Key tasks and responsibilities

Corporate Finance & Accounting

- Maintain accurate and timely financial administration for group entities
- Prepare quarterly, and annual financial statements
- Support budgeting, forecasting, and cash flow management
- Manage intercompany transactions and reconciliations
- Assist with corporate tax filings (e.g. VAT, CIT) and related compliance
- Support external audits and liaise with auditors and advisors

Financial reports

- Support financial administration and reporting of investment funds and SPVs
- Review and reconcile NAV calculations and capital accounts
- Assist in the accounting of investments, valuations, and performance fees
- Support loan management, FX strategies, capital calls, distributions, and investor reporting
- Coordinate with external fund administrators, depositaries, and auditors
- Ensure compliance with fund documentation and applicable regulations

Financial process control

- Ensures process optimization and improvements in the financial administration
- Manages and optimizes the AO/IC processes
- Anticipates external and internal changes and translates the consequences into financial processes
